# What is study abroad?

Study abroad programs immerse you in the culture and customs of other countries.

Study abroad benefits:

- Take all of your courses in English
- Add a competitive edge to your resume
- Pay the same tuition and room/board rates you pay at Winthrop
- Graduate on time by following the academic timelines provided by the department
- Complete an internship abroad

# How do you study abroad?

With help from the department's study abroad advisor and the International Center, you can choose the program that works best for you.

Your adventure begins with five easy steps!

1. Attend a group advising session at the International Center.
2. Research your department's study abroad options.
3. Apply to Winthrop's study abroad program through the International Center's Study Abroad portal.
4. Apply to your chosen program.
5. Prepare for departure!

# When can you study abroad?

A one-semester study abroad program is integrated into your graduation track. We suggest you study abroad during the fall or spring semester of your junior year.

A short-term, faculty-led program can also be your chance to study abroad. Short-term programs are connected to MCOM courses.

Study abroad fees will be added to your Winthrop account.
